

HTF 2018 - India's Largest International Exhibition on Hand Tools, Power Tools, Fasteners & Industrial Tools successfully organized by ITEI at Pragati Maidan, New Delhi.

Post Show Press Release 2018

The Hand Tools & Fastener Market in Asia is anticipated to reach USD 44.12 billion by 2020 supported by growth in automotive demand and increase in disposable income of consumers. The demand for industrial fasteners is expected to grow 5.4 percent in India in 2018. India is anticipated to experience the fastest growth over the next couple of years. Economic growth and rapid industrialization in India are expected to drive investments for the fastener market. India needed a unified business platform for Technology Transfer and Explore New Business Avenue. Over The Years, Hand Tools & Fastener Expo has become said platform as the largest and the prestigious event on Fasteners, Hand Tools and Power Tools. The event has always received worldwide appreciation.

The 17th edition of **HAND TOOLS AND FASTENER EXPO 2018**, Indian subcontinent's largest and only sourcing point for quality Hand Tools, Power Tools & Fasteners successfully took place from 29th-31st August 2018 at Pragati Maidan, Delhi, India. The exhibition showcased special high-end Hand Tools, Power Tools, Fasteners and Specialty Tools etc. used in various industries such as Automobile & Auto Service, Heavy engineering, Construction & Infrastructure, Woodworking & Furniture, Gardening & Horticulture, Aviation etc. The event was organized by International Trade and Exhibitions India Private Limited (ITEI), which is a part of ITE Group Plc, UK & supported by the leading industry associations; 'Ludhiana Hand Tools Association', 'Fastener Manufacturers Association of India (FMAI)', 'Taiwan External Trade Development Council (TAITRA)' and the 'World Metal Forum'.

HTF 2018 was planned with other specialized exhibitions to serve as a Biggest Business Carnival for Manufacturing & Fabricating Industries, Like

- **UMEX - for Economical Pre-owned machinery in the industry**
- **CWE - for Advanced Cutting and Welding Equipment & Technology including Laser Technology**
- **IMEX - for Latest Machine Tools (CNC, Laser, Shot Blasting, Measuring & Testing Equipment and more.....)**
- **MMMM - for Mineral, Metal, Metallurgy & Materials**
- **TECHINDIA - for Engineering and Manufacturing (Pumps, Valves, Compressors and more.....)**

HTF 2018 and collocated events received tremendous response, participation of **476 leading exhibitors from 16 countries, 11,346 High Quality Trade Visitors from 31 Countries and wide media coverage.**

The said Biggest Business Carnival witnessed a large gathering of trade visitors from various segments of Manufacturing industry like **Aviation | Automobile/Automobile Service | Construction & Infrastructure | OEMs | Rail Coach Factories | Woodworking and Furniture | Gardening / Horticulture | Heavy Engineering and more...**

The show featured a high proportion of international exhibits with exclusive country pavilions, as well as the comprehensive product range from market leaders from India. The well-established event was the confluence of the international & national Hand Tools, Power Tools & Fastener manufacturers, and decision makers from various industries in special focus, distributors/Retailers, Exporters, Industrial Suppliers etc. The encouraging feedbacks from the participants point to a much bigger show in the coming edition in Mumbai, 2019.
